Left to Right:

- **Phâro Microfibre Exfoliating Cloths Duo Pack** - Face & Body
- **Phâro Skin Perfecting Serum 50ml & 100ml**
- **Phâro Apres Hydrating Mist**

Phâro Microfibre Exfoliating Cloths Duo Pack - Face & Body

Removes excess oil, dead skin and make up without harming your skin. Smooth, healthy younger-looking skin when used regularly. The ultimate exfoliating wash cloth for face and body. So effective, it can be used with just water. To use, moisten cloth with warm water, add soap or cleanser if desired and wash gently. When done, rinse and towel dry. Rinse exfoliating cloth and air dry. Each cloth can be used up to 60 times.

Recommended use: Before sugaring, before tanning and to help prevent ingrown hairs.

Phâro Skin Perfecting Serum - 50ml & 100ml

A versatile serum which assists with problematic skin and post care of your clients skin after sugaring. Our clients experience a dramatic decrease of ingrown hairs just by using the **Phâro Salon Sugaring System** alone compared to other hair removal products. Now with **Phâro Skin Perfecting Serum** your client can pro-actively fight and prevent ingrown hairs by applying the serum for 3-4 days straight after sugaring.

Formulated with willow bark, a natural source of salicylic acid which acts as a topical antibiotic treatment for problematic skin conditions, the benefits are not only limited to hair removal care! You can apply **Phâro Skin Perfecting Serum** to problematic facial and body skin, teenage skin; watch hormonal breakouts clear within 2 days! The product heals spots quickly without drying the skin, and it's also great for clearing up skin rashes. Try our serum on lines and wrinkles too! It also acts as an exfoliant for the face and body allowing fresh new skin cells to emerge. **Phâro Skin Perfecting Serum** also contains aloe vera, witch hazel and tea tree oil help to revitalize your skin and perfect your complexion.

Recommended use: Use the serum immediately after sugaring and continue use on treated area for the next 3-4 days. The serum can also be used after waxing or shaving to inhibit ingrown hair.

Phâro Apres Hydrating Mist - 50ml & 125ml

A natural and gentle way to hydrate, cleanse, protect and tone the skin after sugaring. With aloe vera to soothe the skin, and witch hazel to relieve any inflammation or swelling, this cooling mist will cleanse the pore and leave the skin cool and toned. Witch hazel is a superb astringent herb, with slight aromatic properties and is used to curb bleeding, reduce inflammation and tone the skin. This nutrient enriched product also contains arnica that is widely used to treat bruising and healing. Arnica also has anti-inflammatory and antibiotic properties that can assist in relieving discomfort.

Recommended use: Use by spritzing over the skin and massaging in post-sugaring to soothe the skin and the histamine reaction. Great for men who cannot reach their back for post care as they can easily spritz the solution over their shoulder onto their back.
